When u arrive be aware of access issues that may be in place. I don't anticipate them not letting us on. just be careful.

Ive asked START to head to the spill location at Freedom Industries. Can you meet up with them there. No FEMA assignments yet. Just looking to document tank and where chem. Entered water. Contact Mickey if you have questions or call my cell.

Thx for helping. I will be heading down in about ten. Oh do you have access to GSA vehicle?
Sorry forgot to ask,

Melissa, hi

Are you available to respond in the morning? I am leaving in the morning to go down there and could use some help.

Let me know

Thx
